This trip is crafted for divers who crave exploration, pelagic action, and rich biodiversity—all with fewer crowds.

Drift through the channels of Lhaviyani with reef sharks, discover manta cleaning stations in Noonu, explore the coral gardens of Shaviyani, and dive into the deep blue of Haa Dhaalu, where rare encounters with large pelagics await. Raa and Baa Atolls round off the journey with breathtaking thilas and UNESCO Biosphere coral reefs teeming with marine life.
