Nature's Untouched Paradise

Raja Ampat

Set Sail to Raja Ampat with Aurora Liveboard: Your Ultimate Escape

Embark on a dream voyage aboard the Aurora Liveboard and dive into the untouched paradise of Raja Ampat. Renowned for its crystal-clear waters, vibrant coral reefs, and breathtaking landscapes, Raja Ampat offers the perfect blend of adventure and relaxation.

Start your days with invigorating yoga sessions on the deck, stretching and breathing in the fresh sea air against a backdrop of stunning ocean vistas. Dive into the azure waters for exhilarating snorkeling adventures, exploring vibrant coral gardens and encountering a kaleidoscope of marine life. Paddle through serene bays and hidden coves, discovering secluded spots and enjoying the peaceful rhythms of nature.

Venture ashore on guided land tours to explore lush rainforests and remote islands, revealing the rich biodiversity and enchanting scenery of the region. After your adventures, unwind on pristine, sun-drenched beaches or relax in the tranquil beauty of your surroundings.

With its unparalleled combination of exploration, relaxation, and wellness, the Aurora Liveboard promises an extraordinary journey through Raja Ampat—a paradise where every moment is a celebration of nature's splendor.

6 NIGHTS

WELLNESS TRIP ITINERARY

DAY 1 SORONG – WASAI

Upon arrival at the port, you'll be warmly welcomed by our team and guided through the check-in process to begin your adventure. You'll then be transferred by boat to Wasai, enjoying stunning sea views along the way. Once at Wasai, unwind and spend the afternoon at Mioskon Beach, where you can marvel at a breathtaking sunset and create unforgettable memories surrounded by natural beauty.

DAY 2 DAMPIER STRAIT

Today we start the day with an early morning stroll through the enchanting forest near Wasai. The air is alive with whispers of nature as dawn paints the sky. End the walk in Kali Biru, a serene oasis, where the blue river mirrors the awakening day, creating a tranquil haven in the heart of the wilderness.

DAY 3 DAMPIER STRAIT

Dive into the vibrant tapestry of Dampier Strait, beginning with a day of snorkeling. Explore kaleidoscopic coral gardens, where iridescent fish dance in the crystal-clear waters. Surface to visit a local village, its thatched-roof homes nestled amid lush greenery. Engage with warm-hearted locals, savoring cultural exchanges that mirror the vivid hues of the underwater world.

DAY 4

YANGEFOO

Yangeffo's mangrove forest is a labyrinth of life, where tangled roots breathe above emerald waters. Sunlight weaves through the canopy, casting intricate patterns. It's a sanctuary for diverse ecosystems, a testament to nature's resilience in Raja Ampat's pristine embrace

DAY 5

PIAYNEMO

Time for an exhilarating adventure in Pyanemo, where snorkeling unveils a vibrant underworld tapestry. Dive into turquoise waters, dancing with coral gardens. Trek to panoramic viewpoints, where limestone hills frame breathtaking vistas of islets. Pyanemo weaves the magic of land and sea, an explorer's dream in Raja Ampat.

GREEN COMMITMENT

Our company is proud to have obtained the Manta Trust, Green Fins & Sulubaai labels, testifying to our commitment to the environment with actions such as:

- Develop education programs for local communities
- Protect manta rays/mobulas through research, education, and collaboration
- Participate in beach and ocean cleanups
- Commit to maximizing buoy and non-anchor anchoring to preserve the coral reef
- Collect data to help understand marine litter.
- Avoid all chemicals and toxic products that could enter the ocean from our boat.
- Protect Sharks through research, education and collaboration

OUR VALUES

We believe that we have a responsibility to protect the underwater biodiversity and we are determined to do this. We teach all our divers environmentally responsible expedition techniques to minimize our impact on the marine environment. We also educate our guests on environmentally friendly expedition practices. Beyond the marine environment, we are also committed to eco-responsible behavior on our boat, which is partly built with renewable materials. We reduce our water and energy consumption through resource efficient practices. We also offer local and seasonal meals to limit the importation of international products. By traveling with us, you will be maximizing your contribution to the preservation of the Indonesia environment for future generations. Come and discover the underwater wonders in a responsible way.
