Day 1 Sorong

Our staff will welcome you at the airport and you will start your experience on Aurora. From Jakarta or Makassar, flights usually arrive early in the morning. As soon as all the guests are on board, we will lift the anchor and, if conditions allow, we will have the check-dive in the afternoon.

Days 2 to 3 Dampier Strait

We will arrive early in the morning around Mansuar, where we will dive some famous sites, such as "Mioskon," "Blue Magic," "Sardines" and other amazing places. Prone to currents, this area is characterized by untouched corals and all kinds of schools of fish. On the surface, green islands and marvellous white sand beaches will surround us.

Day 4 Penemu

Further south, we stop at Fam. We will dive on "My Reef", a submarine ridge with schools of fusiliers and sweetlips. "Keruo Channel" is a fascinating passage between two islands. The slopes are covered with hard corals and sea fans and schools of silversides are seen further in the blue. Do not miss the chance to make a stop on land to enjoy the breathtaking view over the typical landscape of Raja Ampat.

Day 5 Batanta

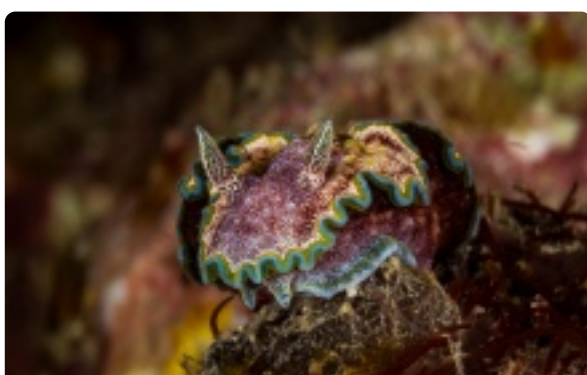

Batanta is one of the four kings and is a dive paradise for little creatures lovers and also where we have a big chance to meet the majestic Manta Ray. We will do 3 dives during the day before keep moving to the south

Day 6 Farondi

Wake up in the Misool National Park, an area with thousands of islands. Here you will be able to see wide varieties of fish, soft and hard corals, all kinds of macro, wobbegong and bamboo sharks. Misool is also one of the rare places, where the landscape is absolutely wonderful. Do not miss the show of the mobulas feeding on schools of silversides!

Days 7 to 10 Misool National Park

So many Islands to visit and so many different dive spots. We will cruise around JILLIET, FIABAJET, WALIB, WAJIL, JEF PELE, BOO etc... where Aurora Crew will assure you as many dives as possible to completely appreciate this wonderful and beautiful area.

Day 11 Daram

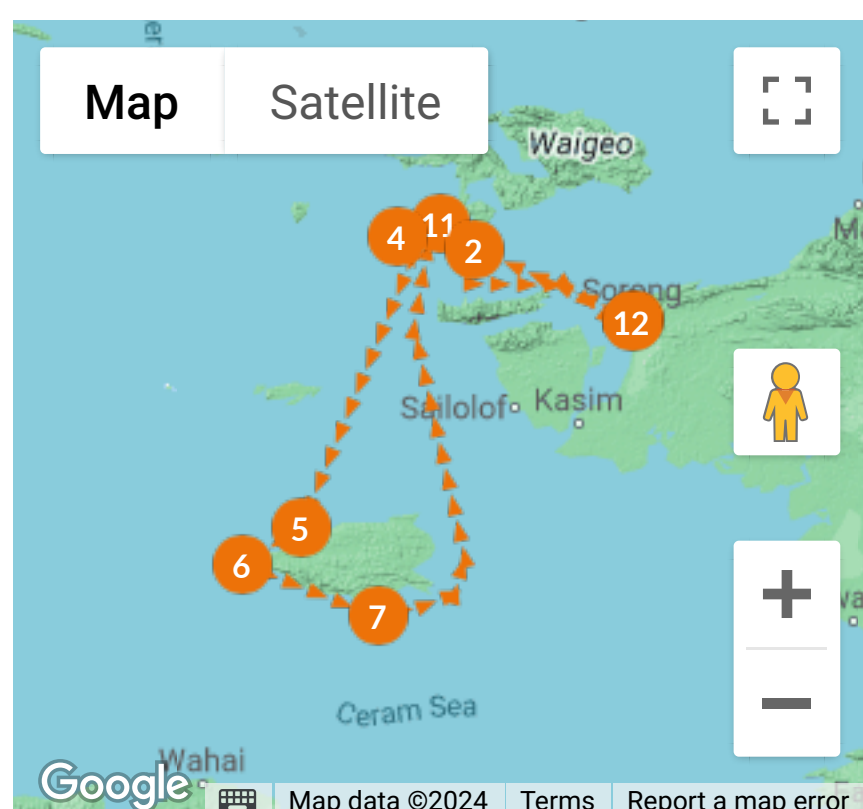

This group of islands just in the border of Misool Marine park is the perfect location to make 2 morning dives and say good bay to raja Ampat. Don't be sad, sure you will come back !

Day 12 Sorong

After a nice breakfast on board, our Aurora crew will organize your transfer to the airport of Sorong, according to your flight schedules. Unfortunately our trip will arrive at an end and we have to say goodbye but we hope to see you again on board.
