

Komodo Deep South - 7 Night Itinerary

The boat embarks and disembarks at Labuan Bajo, Flores and the entire cruise is focused on diving South Komodo National Park where we will cover Padar Island, Langkoi, Horseshoe Bay, South West Flores, Mota Island and the Mola Straits (The channel between Rinca Island and Flores).

This is only possible in the 1st quarter of the year during the North West Monsoon). Mota Island and Mola Straits are only available in this itinerary only. There will be the walk on Rinca Island to see the Komodo Dragons.

Highlights of the itinerary: Manta rays and occasional Molas in Langkoi, excellent macro life, schooling fishes such as jacks, bumphead wrasses, excellent soft coral growth, torpedo rays, sea apples in Mota Island, the Dragon Walk.

After the last dive of the trip, guests may go ashore to see the Komodo Dragons while guided by the park rangers at either Komodo Island or Rinca Island. *Dragon Walk*, as it's called includes a short walk with an introduction by the guide about the National Park and Komodo Dragons where guests will see them in the wild. Staff members will accompany the group.

Notable Dive Sites:

- Manta Alley – Langkoi
- Rodeo Rock – Horseshoe Bay
- Cannibal Rock – Horseshoe Bay
- Torpedo Alley – Horseshoe Bay
- Pelican Head – Horseshoe Bay
- Yellow Wall – Horseshoe Bay Secret Garden – Padar Island
- Three Sisters – Padar Island

Sample itineraries and maps are for illustrative purposes only. The exact route and sites visited are subject to change based on local regulations, guest experience, weather and logistics, and is at the Captain's discretion.

Komodo diving liveaboard trips offer different distinct itineraries, and each have been scheduled during the best time of year to dive there.

The 7, 10 and 11 night liveaboard Komodo cruises feature enhanced vacation itineraries that allows guests more time diving and more time in the signature areas.

Each itinerary departs from a different island/port.

Guests are encouraged to arrive at least one day prior to the charter start date regardless of the trip you are on.

- The yacht offers 3 to 4 dives per day depending on itinerary including night dives.
- Depth Range: 30 – 100 ft (9m – 30m)

- Water temperatures can vary greatly within the park.
 - low of 72F/22C in the southern region
 - high of 84F/29C in the northern region.
- 3-5mm wetsuit with hood is recommended year round.

Guests are also suggested to bring reef hooks for use at some dive spots
 All diving is done from two 20' x 8' tenders.
