

KOMODO – 5 NIGHTS

Cruise Length: **6 Days/5 Nights**

Start/End Port: **Labuan Bajo/Labuan Bajo**

Total Dives: **14-15 dives**

Notes:

This is a sample itinerary and subject to change depending on weather, sea and unexpected conditions. There are over 60 dive sites in Komodo National Park and we're happy to consider guest preferences. Snorkeling is also an option at many of these sites, just ask the Cruise Manager for advice.

DAY 1 | 2X DIVES

After being welcomed aboard The Lady Denok by our crew, we set sail to our first destination, Sebayur Island, where we will do check dive and possible night dive.

DAY 2 | 4X DIVES

A day of exploring the dive sites and beaches around Tatawa Besar, Manta point, Batu bolong, and Gili Lawa bay. In this area, you will see lots of soft orange coral and plenty of fish, including Angelfish, Batfish, Sweetlips, Mantas, Shark, and schools of Snapper.

DAY 3 | 3X DIVES

Trekking in Komodo island to discover the Komodo dragon. Exploring the dive sites of Crystal Rock, Castle Rock, and The Cauldron. Here, there will be a chance to see a huge variety of marine life, including reef tip Sharks, Manta Rays, Pyramid Butterfly fish, Napoleon Wrasse, Sweetlips, huge schools of Barracuda, Trevally, and maybe even dolphins! When we ready we will head to Padar island.

DAY 4 | 3X DIVES

We will spend the day around Padar island. The first dive maybe on 3 Sisters spot, and continue to The Secret Garden and Pillar Steen, where you can find a beautiful coral garden, little caves, sloping reef with plenty of colourful reef fish and other fishes.

DAY 5 | 2X DIVES

In the morning we dive twice at Manta Alley, south of Komodo island. In the afternoon we dive at Tanjung Sera. Depending on your flight schedule on the next day, on this penultimate day you can dive 1x or 2x. Before we sail towards the harbour, we will visit Kalong island to enjoy the sunset and the flying bats.

DAY 6

Departure day. After breakfast, we'll head back to Labuan Bajo. Transfer to hotel or airport. Thank you for joining our Komodo trip and see you again in the next trip.
