

Central & South Raja Ampat (Sorong to Sorong)
20+ dives recommended
Advanced Open water or equivalent

DAY 1: SORONG

We will pick you up at the airport or your hotel and welcome you on board with drinks. After the safety and boat briefings, we will show you to your cabin and let you settle down and unpack as we make our way to Raja Ampat. If the time allows, we will have an afternoon and a night dive.

DAY 2: DAMPIER STRAIT

We will do 4 dives on some of the signature dive sites in the Dampier Strait such as Mioscon, Chicken Reef, Sardine Reef, Cape Kri, Yenbuba, Sauwandarek, Friwin Bonda... We will have the opportunity to observe the vibrant corals and marine life and encounter wobbegong sharks, pigmy seahorses, schools of sweetlips, Bumphead Parrotfish, and many more.

DAY 3: MANTA & PIAYNEMO

In the morning, we will dive at 2 sites renowned for observing manta rays. In the afternoon, we will have 1 dive at Piaynemo and hike to the famous viewpoint before starting our southward journey as the sun sets.

DAY 4-7: MISOOL

We will spend these days discovering the south of Raja Ampat with 3 or 4 dives a day as well as exploring the lagoons and some of the landmarks so you can see all that this area can offer under and above the water. We will cover different areas such as Balbulol, Fiabacet, Yeliyet, or Boo to take in the variety of landscapes, colorful soft corals, and huge sea fans and spot different species of pigmy seahorses, dive in schools of fish and maybe observe the majestic oceanic manta rays.

On Day 7 we will have two-morning dives and then start our way to Sorong. Do keep an eye out for dolphins and whales!

DAY 8: SORONG

We will take you to the airport or your hotel in the morning.

The last dive will complete on the penultimate day of the trip at around 12 pm.

Divers are recommended to wait for 24 hours after their last dive completes before flying.

Please note that the itineraries are examples and indicative.

We reserve the right to change the itinerary or specific agreed services, if force majeure, unforeseen or unavoidable circumstances, weather, diver ability etc. require us to do so.

Similarly, the order of dives etc. may change depending on circumstances
